

World's Biggest Losers

Why the World's Biggest?

"This JH Winter Retreat of 2010 promises to be the Biggest on Record," a spokesman for the New Life Dresher Jr. High Ministry said recently. When pressed further for details he acted in a manner that this reporter could only call 'shady'.

There have been numerous reports (it's a word I made up) and various leakyages (see above) coming from the folks involved in NLD. "The World's Biggest JH Retreat wouldn't be complete without the JH's Biggest Mustache" stated an enthusiastic Jaime Burke. "I'm not sure about Biggest Retreat, but I'm pretty sure I've got the Biggest Muscles" quipped shy but smiley Michael Orlando when questioned about the large-ness of said retreat. Casey O'Neil quickly added, "I may not have the Biggest Brain, but I certainly know enough to be on the Biggest Winter Retreat." Her pause for laughter was unfortunately unwarranted. "I'm pretty sure I have the Biggest Voice on the Biggest Retreat," added leader Cori Landt.

With anticipation reaching fever pitch, it's no wonder the leaders are keeping their cards close to the vest. When asked what exactly about this retreat would be Big, the only answer forthcoming from the NLD Jr. High Leaders was a gargantuan Blank Stare. I'm not sure they're all there, personally.

WORLD'S BIGGEST JR. HIGH RETREAT

This is a Big Story

Jonah and the Whale...or was it a fish? Anyhow, this is a stinkin' Big Story! Here comes God giving a Ridiculously Large Command to Jonah to preach to an Absolutely Massive City, Ninevah. But Jonah, in a flash of brilliance (stupidity?) decides that he's got a Bigger Plan for his life, and he runs in the opposite direction. You know how the story goes: God sends a Gigantic Storm, followed by a Massive Fish to bring Jonah back to his mission. In the end the Swollen City of Ninevah makes a City-Wide Plea to God in response to Jonah's tiny sermon. And even after all that, Jonah is more concerned about the death of his miniscule plant than he is about this Tremendous City. He forgets that he serves a Colossal God with a Vast Plan for his people.

We want to spend this weekend understanding this story and why God decided He should make sure His people never forgot this story throughout all time. We are going to dive in to God's Monumental Story of Rescue and find ourselves smack in the middle. So come ready to Go Large at the World's Biggest Jr. High Retreat!
